

Banking Facilities

Academic Year 2026–27

Candidates reporting for admission to the Institute are hereby informed that State Bank of India (SBI) and Canara Bank will establish banking assistance stalls at the Institute Pavilion (behind the Main Building) during the physical reporting period.

These stalls are in addition to the existing branches of both banks located on the Institute campus and are intended to facilitate banking-related formalities for candidates and their parents/guardians.

IMPORTANT INFORMATION

01 Open an account if you don't have one

Students who do not already have a suitable bank account are strongly encouraged to open an account with either State Bank of India or Canara Bank during reporting.

02 Institute payments follow your registered account

Scholarship disbursements, fee refunds and other payments from the Institute will be processed only through the student's registered bank account.

03 Education loan support at the stall or branch

Students availing education loans may approach the representatives at the stall or branch for assistance with loan-related documentation and banking formalities.

04 Open to parents and guardians

Parents/guardians and candidates may utilise the banking assistance available during the reporting process.
