NOTICE INVITING QUOTATIONS

The National Institute of Technology Karnataka, Surathkal (in short - NITK, Surathkal or Institute) is an autonomous Institute of the Govt. of India [under the Ministry of Education - MoE] imparting technical and science education. The Institute intends to invite quotations for the work of **"Rectification and Restoration of Control, Protection and Indication Circuits and Replacement of Defective Panel Meters at 33KV substation at NITK"**. The details of work is listed in the sheet enclosed. In this connection, sealed quotations are invited by the undersigned subject to the terms and conditions enumerated here under from the contractors / manufacturers/ authorized dealers/ agencies so as to reach this office on or before **03-09-2026 at 03:30 PM**. The quotations shall be opened possibly on the same day.

Terms and Conditions:

1. The intending bidder shall quote his rates in the '**Quotation Format**' enclosed here with either in his letter head or using the same format. He shall sign each page with seal of the firm. Envelop super scripted as Quotation for **"Rectification and Restoration of Control, Protection and Indication Circuits and Replacement of Defective Panel Meters at 33KV substation at NITK"** due on **03-09-2026 at 03:30PM** and addressed to as "The Superintending Engineer, NITK, Surathkal, Post Srinivasnagar, Mangaluru - 575025" be sent so as to reach this office on or before the due date mentioned.
2. The GST registration number, MSME certificate and the PAN number of the bidder shall be enclosed along with the quotation. Quotation without this information will not be accepted.
3. Quotation may be dropped in the Tender Box kept in the office or may be sent by post/ courier. It is the responsibility of the bidder to make sure that the quotation is delivered in time. The quotations received after the due date will not be entertained.
4. No advance payment will be made. The payment shall be made only after successful completion of work. and billing will be done on the basis of actual quantity used during the execution of work. No interest will be paid for delayed payments if any.
5. The rate quoted should be firm. No claim for enhancement of rate is admissible after opening of the Quotations.
6. The agency shall inspect the site and existing electrical installation before submitting the quotation. No additional claim shall be entertained on account of lack of site inspection.
7. The quoted rates shall be **inclusive of all labour, materials, tools & plants, transportation, loading/unloading, installation, wiring, testing, commissioning and other incidental charges**, except applicable GST, which shall be indicated separately.
8. The contractor shall use good-quality materials conforming to relevant **IS/IEC standards** and suitable for the existing system.
9. All dismantled defective components shall be handed over to the authorized NITK representative unless otherwise instructed.

10. The contractor shall take all necessary safety precautions while carrying out work in the 33 kV/11 substation. The work shall be carried out only under the required **Permit-to-Work (PTW)** and isolation/safety procedures of NITK.
11. The work shall be completed within **30 days** from the date of issue of the work order.
12. No self-imposed conditions or deviations from the terms and conditions specified in this Notice Inviting Quotation shall be entertained or considered. Quotations containing such conditions/deviations may be liable for rejection.
13. The successful agency shall rectify, at its own cost, any defect attributable to workmanship or supplied materials during the warranty/defect liability period.
14. Terms and conditions stipulated in this Notice inviting conditions are binding on the bidder.
15. The undersigned reserve the right of rejecting all the quotations without assigning any reasons thereof.
16. The quotation shall remain valid for a minimum period of **90 days** from the last date of submission.
