| <b>Stipend (Per month)</b>   | Rs.10000/- per month                                                                                                                                                                                                                                                                                                                           |
| <b>Applicable</b>            | The students who are in their <ul style="list-style-type: none"><li>• Third year of B.E/B.Tech in Computer Science and Engineering/Information Science and Engineering or the related branches.</li><li>• Second year of M.E/M.Tech in Computer Science and Engineering/Information Science and Engineering or the related branches.</li></ul> |
| <b>Desirable Skills</b>      | Programming Knowledge, Knowledge of Operating systems such as Linux and Windows and Basic mathematics.                                                                                                                                                                                                                                         |

**Instructions:**

Interested candidates are invited to send a detailed application and bonafide certificate (both in the format given) along with the relevant grade/mark sheets (self attested). All these should be scanned as a single PDF (.pdf format) in that order and uploaded through the form link : <https://faas.isea.app/formview/Internship1>

**Last Date : 03-October-2026, 05:00PM.**

The shortlisted candidates will be informed via E-mail. Selection will be based on qualification, experience and interview/test. NITK Surathkal reserves the right to reject any or all the application/s without assigning any reasons thereof. For any queries contact.

**Prof. Alwyn Roshan Pais**

**Principal Investigator**
