

WOMEN IN ENGINEERING PROGRAM

EMPOWERING WOMEN ENGINEERS. TRANSFORMING FUTURE

**A CAREER BUILDING INITIATIVE DESIGNED BY
SIKSHANA FOUNDATION**

**APPLICATIONS ARE NOW OPEN FOR ELIGIBLE WOMEN
ENGINEERING STUDENTS**

ENCOURAGE YOUR STUDENTS TO APPLY. INSPIRE THEIR FUTURE.

Sikshana Foundation warmly invites applications for Batch 4 of **WOMEN IN ENGINEERING (WIE)** program from deserving women students belonging to Rural/Tier2/Tier3 locations having a strong academic potential and a determination to succeed.

A PARTNERSHIP TO TRANSFORM TALENT INTO OPPORTUNITY

We welcome Engineering Colleges to partner with the Sikshana Foundation in identifying and nominating deserving students, creating pathways for talented young women from Rural, Tier 2 and Tier 3 regions to realize their potential, excel in engineering and build successful careers.

WHO CAN APPLY?

Women who qualify below criteria:-

- ✓ 1st Year Engineering (2026-27)
- ✓ Minimum 70% and above in 12th Exam
- ✓ Government Seat Allotment
- ✓ Family income below or up to 6 LPA
- ✓ Single child / having single parent
- ✓ **Branches:**
 - Electrical Engineering (EE)
 - Electrical & Electronics Engineering (EEE)
- ✓ Students from Rural/Tier 2/Tier 3 regions

ABOUT THE WOMEN IN ENGINEERING (WIE) PROGRAM

The Women in Engineering Program is committed to advancing women's participation in STEM (Science, Technology, Engineering and Mathematics) fields. The program empowers aspiring women engineers by providing holistic support that extends beyond financial assistance. Through mentorship, digital learning resources, skill development, industry exposure and career guidance, WIE enables students to build the knowledge, confidence and capabilities needed to excel in engineering and contribute meaningfully to the future of technology and innovation.

KEY BENEFITS OF THE PROGRAM

- ✓ Financial Assistance
- ✓ Laptop & Digital Learning Support
- ✓ Internet / Data Recharge Support
- ✓ One-to-One Mentoring
- ✓ Technical & Soft Skills Training
- ✓ Industry Exposure
- ✓ Career Guidance
- ✓ Leadership & Professional Development

Sikshana
FOUNDATION
Love of Learning

“The laptop support from Hitachi Energy and Sikshana Foundation reduced my financial burden and enhanced my learning experience. Beyond financial assistance, the program strengthened my confidence, personality, and practical skills through hands-on training while expanding my professional network. It also opened valuable opportunities, including interning with Hitachi Energy, Mysuru and interviewing for the Hitachi-Monocle (UK) magazine.”

– Inchara Prakash, BE 4th Year, PES College,
Mandya, Karnataka
WIE Batch 2

“The scholarship and laptop support significantly enhanced my learning and productivity, enabling me to complete my projects more efficiently. The interview sessions strengthened my communication skills, boosted my confidence, and inspired me to pursue greater opportunities. These experiences have had a lasting impact on both my personal and professional growth.”

– Heer Mistry, BE 4th Year, MSU College,
Vadodara, Gujarat
WIE Batch 2

LEARNING BEYOND THE CLASSROOM

WHY COLLEGES PARTNER WITH WIE ?

- Supports deserving students
- Encourages academic excellence
- Enhances student employability
- Strengthens industry-institution collaboration
- Creates opportunities beyond the classroom

WHY STUDENTS LOVE THE PROGRAM ?

- Personalized Mentoring
- Financial Support
- Industry Connect
- Technical Workshops
- Career Guidance
- Leadership Opportunities
- Internship Opportunities
- Better Employment Possibilities

Together, Let's Empower the Next Generation of Women Engineers.

PARTNER WITH THE WOMEN IN ENGINEERING PROGRAM AND ENCOURAGE YOUR ELIGIBLE STUDENTS TO APPLY TODAY.
