About NITK

NITK Surathkal is a premier institution engaged in imparting quality technological education and a broad range of research, development and consultancy activities. NITK has carved a niche for itself among the best technical institutes in India and is consistently ranked among the top 10 technological institutes.

NITK is located in Surathkal on the scenic shores of the Arabian Sea, about 20KM north of the city of Mangalore and is well connected by Air, Rail and Road. The nearest domestic/international airport is situated at Bajpe (about 10KM from Mangalore) and the nearest railway station is Surathkal (3KM).

Startup and Incubation Activities at NITK

NITK's Science & Technology Entrepreneurship Park (NITK-STEP) was established in 1994, for supporting and promoting student start-up activities. It provides financial support for students' startups, with several success stories in the areas of imaging technology, Network Cloud convergence, Multimedia, low cost/long lasting alternatives to conventional lead batteries, remote control power tillers, healthcare products etc. NITK Startup Cell and E-Cell also support entrepreneurial activities of students and faculty.

About the Program

The Women Entrepreneurship Development Programme (WEDP) aims at training budding women entrepreneurs of Science and Technology graduates and the diploma holders. The WEDP primarily focuses on the training and development need of S&T entrepreneurs in specific technology areas of Environmental Problems, Sustainable Development, Healthcare, Information & Communication Technology, Electronics domain.
