No. Cert/Exam/UG/E7

Academic Section

**TO WHOMSOEVER IT MAY CONCERN**

The Institute awards grades in lieu of marks and does not give equivalent percentage for CGPA/SGPA since relative UG grading is followed.

“There is no equivalence between the CGPA scale and percentage. However,  $CGPA \geq 6.0$  can be considered as equivalent to First Class and  $5.0 \leq CGPA < 6.0$  can be considered as equivalent to second class. Notionally, CGPA may be multiplied by a factor of 10 to obtain numerical percentage”.
