

Announcement for UG/PG/Ph.D. Students

As approved by the competent authority, UG/PG/Ph.D. students (except the UG I year 2021-2022 students) are permitted to come to NITK Campus.

Students should read the Standard Operating Procedure (SOP) and register through IRIS portal for getting permission

1. Students should have taken 2 doses of vaccination and produce Vaccination Certificate.
2. Students should have obtained Covid-insurance policy for a period of one year.
3. Students should produce a RTPCR test report (should be negative) taken within 72 hours of their reporting to the campus.
4. Students should submit an undertaking signed by parents and students.
5. For day scholars, all the documents have to be uploaded on IRIS, and obtain the permission to enter the campus.
6. Students should go through the SOPs meant for them and follow them strictly. Any violations of the SOPs will attract punitive actions and the students will be asked to leave the campus.
