

MESSAGE FROM CHAIRPERSON

The Diamond Jubilee of the institution is an important milestone that gives an opportunity to look backward on the distance travelled and forward to the journey that lies ahead which need to be planned carefully to climb up the value chain.

The National Institute of Technology Karnataka (NITK), Surathkal is completing 60 years of glorious service to the Nation in the higher education field covering Engineering, Social Sciences and Management.

We need to thank the almighty for the visionaries who dreamt, the pioneers who launched the projects and all those who laboured hard all through the past 60 years for the development of this great institution.

To mark on this momentous occasion, a series of scientific and technical events are being organized to share and showcase our achievements and to interact with institutions and promising experts globally. The institute has earned a high reputation for imparting quality technical education and research facilities to students and enabling them to acquire leadership and entrepreneurial skills. The multifaceted success of our alumni is a testimony to this. It is our endeavour at NITK to continue to strive for achieving greater heights of excellence in teaching, research and outreach activities.

As a member of NITK fraternity, on this mile stone of the history of NITK, Surathkal. I congratulate the members of BOG, The Director, the faculty, the staff, the students, the parents, the alumni and well-wishers for their dedicated efforts in making this institute as one of the Centres of Excellence at National level. I wish you every success in your future dreams on the occasion of Diamond Jubilee.

May God continue to Bless NITKians.

Prof. K. Balaveera Reddy
Chairperson, BoGs, NITK, Surathkal
