

Mr. Aniket Gopinath Hanchate, a PhD student working with Dr. Partha Pratim Das (Physics), Dr. Sib Sankar Mal (Chemistry), and Dr. Sushil Kumar Pandey (Electronics and Communication Engineering) won **Best Poster and Cash Award** for the topic “Activated Carbon-Polyoxometalate Composite for High-Performance Supercapacitor Application” at the **9th International Conference on Advanced Nanomaterials and Nanotechnology (ICANN-2025)**, hosted by the *Centre for Nanotechnology at IIT Guwahati, India*, from December 12 to 14, 2025. The conference was sponsored by Royal Society of Chemistry. The award was conferred on Aniket and other co-winners by esteemed scientists, including **Prof. Gilles Alcaraz**, Director of Research at CNRS, France, and **Prof. Andreas Terfort** from the Faculty of Biochemistry, Chemistry, and Pharmacy at Goethe University Frankfurt, Germany.

CERTIFICATE

OF APPRECIATION

BEST POSTER AWARD

This certificate is presented to

Amiket Gopinath Hanchate

for the outstanding poster presentation

at the 9th International Conference on Advanced Nanomaterials and Nanotechnology
(ICANN 2025) *sponsored by RSC*

organized by the Centre for Nanotechnology, IIT Guwahati, India

held from 12-14 December, 2025.

Prof. Parameswar K. Iyer
Convenor

Dr. Akshai Kumar Alape Seetharam
